

# Seven Hills Public School Canteen

Dear Parents

## CANTEEN VOLUNTEERS

To enable the canteen to be in full operation, we are seeking volunteers who are willing to dedicate their time to help us with a vital part of our school.

There are many benefits to helping in the canteen including making new friends, getting to know your child's classmates and the school staff, and acquiring new skills among other things.

Please come along and join the fun – morning or afternoon shifts are available on a weekly or fortnightly basis – it's up to you!

Your lunch is provided, so if this sounds like you, please fill in your preferences in the table below.
