

Seven Hills Public School P&C Association - Newsletter 2016

The P&C Committee have been very busy in 2016, with more fundraisers than ever before.

COOKIE DOUGH

We began the year with a Cookie Dough Fundraiser which saw us raise nearly \$600. This figure was raised with just 17 families participating, which is a fantastic result. One of those families selling 34 tubs which was a mammoth effort. We hope to get even more interest next time.

EASTER HAMPER RAFFLE

We received so many donations from families this year which meant we had lots of prizes. We received chocolate eggs, baskets, stuffed toys and gifts. One of our families decided to sell the raffle books whole at \$5 each rather than as individual tickets, they ended up selling over 25 books and then won several of the baskets. Some they kept and some re raffled off for someone else to win. \$470 was raised.

MOTHERS DAY STALL

This year we had some really lovely items for Mothers and Grandmothers. This event is more about giving the children a chance to buy something they picked for their loved one.

OOSH ELECTION DAY CAKE STALL

On Election Day our wonderful OOSH staff held a cake stall to raise funds. Many of the OOSH parents donated yummy cupcakes, chocolate crackles, cookies, slices, sweet treats & lolly bags. They completely sold out thanks to those who came to vote. Almost \$300 was raised. It was great to see all the community support.

RUN 4 FUN

Every year Seven Hills Public School holds it's annual Cross Country for students turning 8 years or older. This year the P&C thought we would overlap it with a fundraising opportunity, so we had a Run 4 Fun where parents and friends could sponsor the students to complete laps. Students 7 years or younger were sponsored to complete laps of an obstacle course.

Approximately \$870 was raised.

FATHERS DAY STALL

The father's day stall is less about raising funds and more about giving the kids an opportunity to buy something for their Father or Grandfather.

HALLOWEEN DISCO

After wanting to hold a disco for several years both myself and Nicole got together to plan the first after school disco. The students, parent volunteers and teachers all had a ball. We plan to hold the next one towards the end of daylight savings next year. We raised over \$200

XMAS HAMPER RAFFLE

During November we put out the call to Parents for donations of household gift items such as; candles, bath packs, toys, sporting goods, chocolates, beauty products, perfumes or aftershave, shortbread biscuits, beach or pool toys, picnic items, books, entertaining items and vouchers.

Each year the raffles are drawn in the last week at the end of year school Presentation Day assembly and it is a fabulous way to end the year.
