Dear Parents/ Guardians,

High School Transition Day Term 1 Smooth Walking Program

Year 5 and 6 students from Seven Hills Public School have been invited to attend a **High School Transition Day at Seven Hills High School on Tuesday 25th February 2020.**

The Smooth Walking Program is a Stage 3 into Year 7 transition program and has been designed and implemented, in collaboration with the local primary schools, to foster a better understanding of high school life and ease any concerns students may have regarding transitioning to a high school setting. This program is held in high regard by all schools in the Seven Hills High School Learning Community as an integral part of the move from primary school to high school.

In this highly engaging and interactive program, involving staff and students from Seven Hills High School and each of the seven local primary schools, students are immersed in whole day programs which provide experiences in classrooms across a range of KLAs. Additionally, Year 5 and 6 students are provided with an opportunity to openly discuss, with high school staff and student leaders, issues related to high school life in order to promote enthusiasm for their educational settings.

The students will be walking to Seven Hills High School and then walking back at the conclusion of the program, with teacher supervision. Students will be leaving Seven Hills Public School at 9:00 am and returning to school by 3:00pm. There is no cost to parents for this activity.

Students will need to wear their school uniform on the day and take their recess and lunch with them. Students are permitted to access the school canteen at Seven Hills High School, if they wish. Students will be supervised by Mrs Singh and Mr Woods.

Please complete the permission slip below and return it to school by **Monday 24th February 2020.** If you have any questions about this event, please speak to Mrs Singh, Mr Woods or Mrs Prout.
